

Are you looking for support to live in a house?

Supported Independent Living - Easy Read

Supported Independent Living or SIL is an **NDIS** support.

With SIL we **support you** to **live in a house**.

You might live on **your own** or with **other people with a disability**.

Our homes have **qualified staff** who support you with daily tasks like:

- **cleaning**
- **laundry**
- **cooking**
- **personal care**
- **going to appointments**
- **taking medication**

Staff will also help you to do the **activities you want to do** and **get out into the community**.
